

Make it count, make it fun!

About Us

We are a Christian ministry not sponsored by or affiliated with any particular church, denomination, or other entity. For more info, please see our Statement of Faith.

Our Resources:

We are here to help you help children. We are committed to share the Good News of Jesus Christ by helping dedicated workers like you by creating high impact, fun filled lesson plans. We provide complete Sunday school lessons as well as ideas for bulletin boards, crafts, object lessons, games, activities, skits, stories, songs, teaching tips, and much more. We also have a unique feature called the Topical Index, which allows you to quickly find what you're looking for by topic.

With our on-line curriculum, you can print the resources that you want to use, for the exact number of students you have, allowing you to keep costs down and eliminate waste.

How We Got Started:

Kids Sunday School Place Inc. began with three friends, Mike, Craig and Len, all of whom also happen to be volunteer Sunday school teachers. Discussion of creating this site began around the end of February 2000. Since that time, we have been working on producing useful teaching tools to reach kids of all ages, all around the world and inform them of the Good News of Jesus. Around 2006, Andrea and Becky came aboard and have become the driving force behind the Spanish version of Kids Sunday School Place.

Our Backgrounds:

We have a wide variety of educational backgrounds and teaching experience. Some of us served as children's pastors or teachers. Others worked on the mission fields of Mexico and Ghana. Members of our staff also attend workshops, classes, and seminars relating to children's ministry. Combined, we have several decades of Sunday school teaching experience.

We are always looking for ways to improve the website. We encourage questions and suggestions to help us further enhance our resources. Please contact us with how you heard about the site, what you like about the site, and ways in which we can make the site a more enjoyable place for you to visit.

We hope you find Kids Sunday School Place an interesting and useful resource!
