

# SUNDAY SCHOOL TAKE HOME PAGE

*To parents:*

This page lets you know what your child learned in Sunday school today. In addition, you will find this week's memory verse, a suggested activity, and a short prayer to reinforce the lesson. Being involved and interacting with your child can be very rewarding for both of you.

## What we learned:

Today, the children began a lesson series about the Bible. In this first lesson, your child learned that the Bible is the inspired Word of God, meaning it did not come from man, but from the Will of God to bring us to a saving faith through Jesus.  
(Scripture used: 2 Timothy 3:16-17, 2 Peter 1:20-21, Psalm 119:160, 1 Corinthians 2:14)

## Memory Work:

### Genesis, Exodus, Leviticus, Numbers, Deuteronomy

Instead of Bible verses, during this series the children are learning the books of the Bible in order. This week, help your child memorize the first five books of the Old Testament. The Books of Law. If your child already knows these, continue on further with the Old Testament books. Practice several times with your child so he or she is ready to go further with the next lesson.

## Suggested Parent/Child Activity:

One day this week put together a puzzle with your child, one that requires a little time to finish. As you are working on it, relate how a puzzle is like the Bible, in that it is made up of many pieces, but they all fit together to make a complete picture. The Bible, like a puzzle was written by many different people, from many different backgrounds and over vast periods of time, yet the words all go together to become the complete and powerful Word of God.

## Daily Prayer:

Father God, thank You for giving Your Word, to be a constant comfort and guide to me every day of my life. Your Word is the absolute truth, it teaches me Your Will, it holds all the answers I need. Dear Lord Jesus, help me keep Your Word close to me, close to my heart, so I will never stray. Amen.
