

# SUNDAY SCHOOL TAKE HOME PAGE

*To parents:*

This page lets you know what your child learned in Sunday school today. In addition, you will find this week's memory verse, a suggested activity, and a short prayer to reinforce the lesson. Being involved and interacting with your child can be very rewarding for both of you.

## What we learned:

Today, we discovered the magnitude of God's wrath, and how He provides safety for those who belong to Him. The flood during the time of Noah was so severe, nothing survived. But God remembered Noah. God rescued Noah, because he was a righteous man and he obeyed the Lord. Salvation was given to Noah, and everyone with him.  
(Scripture used: Genesis 7:17-24, 8:1-17)

## Memory Verse:

**"For God did not appoint us to suffer wrath but to receive salvation through our Lord Jesus Christ." 1 Thessalonians 5:9 NIV**

Practice this verse several times with your child during the week. This will not only help him or her remember the verse but it will also help to reinforce what he or she learned during class.

## Suggested Parent/Child Activity:

Discuss with your child how devastating storms, earthquakes, and other natural disasters can be, and how they demonstrate only to a small degree the great wrath of God. Be prepared to explain how God's wrath is poured out on both the wicked and the righteous people because of man's sin.

## Daily Prayer:

Dear Lord, You are all powerful and wonderful, too awesome for words. Thank You Lord for loving me, and wanting only what is best for me. Help me to be patient and obedient to Your will, today and forever. In Jesus' name, Amen
