

God made the light and called it "Day"
The darkness He called "Night"

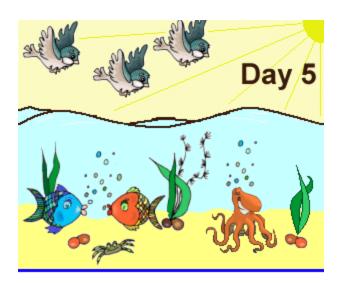

God made the sky which separated the water on the earth from the water above it.

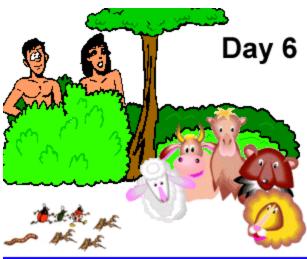

God gathered the waters into seas and called the dry ground "Land." Then God blessed the land and it produced vegetation.

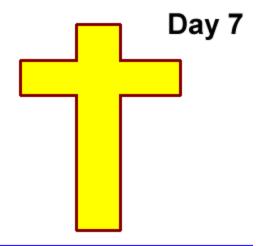

God made two great lights the Sun to govern the day and the Moon to to govern the night. He also made the Stars.

God filled the seas with living creatures and the skies with birds.

God Blessed the land and it produced living creatures of all kinds. Tame, wild and crawling. then God created man and woman in His own image.

God Blessed the seventh day and made it holy, and He rested from all His work of creating.
