SUNDAY SCHOOL TAKE HOME PAGE

To parents:

This page lets you know what your child learned today in Sunday School. Included are "Words to Remember" from the Bible, a suggested activity to reinforce the lesson, and a short prayer. Being involved and interacting with your child can be very rewarding for both of you.

What We Learned:

Today your child learned about how much Jesus loves children. Jesus was teaching His disciples when a group of parents arrived with their children. The disciples tried to turn them away, but instead, Jesus took the children and gave them hugs. Then He blessed them. Jesus did this because He loves children. Your child also learned that he or she is very special to Jesus. (Scripture used: Mark 10:13-16)

Words to Remember:

(Bible versions used are selected to help young children learn and understand the meaning of scripture.)

"Let the children come to me, Don't stop them! For the kingdom of God belongs to such as these." Mark 10:14 NLT

Practice this verse several times with your child during the week. This will not only help your child to remember the verse, but also it will help to reinforce what he or she learned during class.

Suggested Parent/Child Activity:

Do something special with your child this week. Let your child know that it is a special time just for him or her because your child is special. Sometimes as parents we get busy doing "adult things" like cleaning the house, watching TV, going to work, etc. Jesus showed us that kids are important as well, and they need time with us. When we are too busy for our children, we are like the disciples who tried to turn the children away. Jesus said, "Let the children come to me." During this special time with your child, be sure to talk about how Jesus loves us so much.

Daily Prayer:

Dear Lord, You made me special, and I love You. When I remember Jesus and how He loved the children, I know how much You love me. I feel Your arms giving me a hug. Let me show Your love to my friends and to other people I meet. Thank you for creating me to be so special. Amen.
