

SUNDAY SCHOOL TAKE HOME PAGE

To parents:

This page lets you know what your child learned today in Sunday School. Included are "Words to Remember" from the Bible, a suggested activity to reinforce the lesson, and a short prayer. Being involved and interacting with your child can be very rewarding for both of you.

What We Learned:

Today, your child learned about the flood and how God kept Noah, his family, and all of the animals safe aboard the ark. When we choose to follow God, we can feel safe. Your child also learned how God promised never to flood the earth again, and how He gave us the rainbow so we can remember His promise. (Scripture used: Genesis 7:12-20, 8:1-19, 9:8-17)

Words to Remember:

(Bible versions used are selected to help young children learn and understand the meaning of scripture.)

"The Lord watches over all who love Him." Psalm 145:20a NIV

Practice this verse several times with your child during the week. This will not only help your child to remember the verse, but also it will help to reinforce what he or she learned during class.

Suggested Parent/Child Activity:

Talk about how hard it must have been for Noah to build the ark, and how difficult it must have been to get all of the animals inside and care for them for so long. Remind your child also that God made a promise when it was all done never to flood the earth again. He gave us a rainbow to remember this promise. Ask your child if he or she believes God will really protect us like He says He will.

Daily Prayer:

Dear Lord, thank You for saving Noah and his family and the animals. Thank You for the beautiful rainbow that You put in the sky to remind us of Your promise. Help me trust You whenever You ask me to do something for You and to not be afraid to do it. Amen.
