

# SUNDAY SCHOOL TAKE HOME PAGE

*To parents:*

This page lets you know what your child learned in Sunday school today. In addition, you will find this week's memory verse, a suggested activity, and a short prayer to reinforce the lesson. Being involved and interacting with your child can be very rewarding for both of you.

## What we learned:

Today we learned another part of the "Roman's Road" (a collection of verses that tell us how we can be saved) and how the payment for our sins, death, is overcome by the gift of eternal life. When the first man who was ever created, Adam, sinned against God, it meant everyone who would be born after him would sin too. And, because God knew that sin would separate us from Him forever, He sent Jesus to die and pay the price of our sins with His own life. However, because Jesus came back to life, He was victorious over death and we can be victorious too. Anyone who believes in Jesus and turns away from their sins can have eternal life because of His sacrifice. And we can share this special message of eternal life with everyone we meet! Scriptures used: Romans 5:12, 6:9-14, 6:22-23

## Memory Verse:

**"For the wages of sin is death; but the gift of God is eternal life through Jesus Christ our Lord." Romans 6:23 KJV**

Sing the verse to the tune of "Head, Shoulders, Knees and Toes." If needed, you may use the suggested phrasing below:

For-- the wages o-f sin is death,  
But-- the gift of G-od is eternal life,  
Throu-gh Je-sus Christ o-ur Lord  
Ro-mans 6-23

## Suggested Parent/Child Activity:

Go for a walk outside with your child and admire the beautiful plants and flower that you see. Ask your child to describe how he or she know if the plants are alive or dead (their color, shape, texture, etc.). Then explain that plants are alive because of God's power, and that same power has given us the chance to become spiritually alive by trusting in Jesus Christ as our Savior. And, when we believe in Jesus, we will be like the plants that grow more beautiful as we trust God to take care of us and show us how to live and obey His word.

## Daily Prayer:

Thank You, God, for giving us the gift of eternal life! Help us trust You, turn from our sins, and believe in Jesus. And thank You for Jesus' example and for His sacrifice. Amen.
