

SUNDAY SCHOOL TAKE HOME PAGE

To parents:

This page lets you know what your child learned in Sunday school today. In addition, you will find this week's memory verse, a suggested activity, and a short prayer to reinforce the lesson. Being involved and interacting with your child can be very rewarding for both of you.

What we learned:

Today, your child learned that God does not want Christians to be influenced by the world, but rather we should stand out as godly people. God left us in the world to be His representatives. We will do well to remember that our citizenship is in Heaven; therefore, we will not fit in with the wicked ways of the world. Knowing we are foreigners in this world will give us the proper incentive to influence others for good. (Scripture used: 1 Peter 2:11-12)

Memory Verse:

"But our citizenship is in heaven. And we eagerly await a Savior from there, the Lord Jesus Christ." Philippians 3:20 NIV

Practice this verse several times with your child during the week. This will help your child to remember the verse, and it will help to reinforce what he or she learned during class.

Suggested Parent/Child Activity:

As a family, discuss what it means to be a citizen of the country in which you live. Talk about the rights, privileges, protection, and other benefits that are granted to you because of your citizenship. Next, discuss which blessings are bestowed upon Christians because of their heavenly citizenship.

Daily Prayer:

Dear Lord, we know that this earth is not our permanent home and look forward to the day that You return to gather us to Yourself. Please keep us from the influence of the wicked ways of the world. Give us the needed faith, wisdom, and courage to stand out and be a godly influence on others. Thank You for the many blessings You bestow upon us because we belong to You and are citizens of Heaven. Amen.
