

SUNDAY SCHOOL TAKE HOME PAGE

To parents:

This page lets you know what your child learned in Sunday school today. In addition, you will find this week's memory verse, a suggested activity, and a short prayer to reinforce the lesson. Being involved and interacting with your child can be very rewarding for both of you.

What we learned:

Today the children learned that truly believing in Jesus means to believe not only that He is who He claims to be, but also that He is the Lord of all. Our belief in Jesus can be confirmed by His miracles, His teaching, by the way He lived, by the way He served, even to the point that He died for us on the cross. (Scripture used: John 10:22-42)

Memory Verses:

"Yet to all who did receive him, to those who believed in his name, he gave the right to become children of God." John 1:12 NIV

Practice this verse several times with your child during the week. This will not only help him or her remember the verse, but it will also help to reinforce what he or she learned during class.

Suggested Parent/Child Activity:

Write a few of your favorite miracles that were performed by Jesus on slips of paper, and put them in a hat. Alternate with your child drawing out slips, and acting out that miracle without using any words, as in charades. Include other members of the family to make this an even more fun activity.

Daily Prayer:

Heavenly Father, thank You for being the Lord of all, and especially for being our Lord. Please help remove any disbelief that we may have about who You are or how much You love us. Let Your Word speak to us, to help us to grow in the Spirit, and become more like You. Amen.
