

SUNDAY SCHOOL TAKE HOME PAGE

To parents:

This page lets you know what your child learned in Sunday school today. In addition, you will find this week's memory verse, a suggested activity, and a short prayer to reinforce the lesson. Being involved and interacting with your child can be very rewarding for both of you.

What we learned:

In today's lesson, your child learned that the people of Jericho trusted in the city's wall to protect them, whereas the Israelites trusted in God. Many people rely on their own strength or talents to solve life's problems. That works some of the time, but what happens when the problems are too big for us to handle? God's children can take comfort in knowing that He can make even the biggest problems crumble, just as He made the wall of Jericho fall, if we believe God's promises and have faith that He wants the best for us. (Scripture used: Joshua 6:1-20)

Memory Verse:

**"The Lord is my rock, and my fortress, and my deliverer; my God, my strength, in whom I will trust; my buckler, and the horn of my salvation, and my high tower."
Psalm 18:2 KJV**

Practice this verse several times with your child during the week. This will help him or her remember the verse, and it will also help to reinforce what he or she learned during class.

Suggested Parent/Child Activity:

Tell your child of a time when God helped you overcome a problem. Explain how prayer, reading God's word, and Christian fellowship can help all of us overcome the obstacles life puts in our path. There is no problem too big for God and thankfully He is there to help us.

Daily Prayer:

Dear Lord, we take comfort in knowing that You are our Heavenly Father and that You want the best for us. Please give us wisdom to bring our problems to You and not depend solely on our own strength when times get tough. Thank You for caring about us and for interacting in our lives in both the good times and the bad. Amen.
