

# SUNDAY SCHOOL TAKE HOME PAGE

*To parents:*

This page lets you know what your child learned in Sunday school today. In addition, you will find this week's memory verse, a suggested activity, and a short prayer to reinforce the lesson. Being involved and interacting with your child can be very rewarding for both of you.

## What we learned:

God knows we have a lot to learn and that we may not understand everything in the Bible. God wants us to make the effort to learn more about Him by reading our Bibles and by praying. God will gladly give us knowledge and understanding if we seek Him. There are some people that have no desire to learn more about God, these people are like the seeds that fell on the path in the parable of the sower. (Scripture used: Matthew 13:3-4, 19)

## Memory Verse:

**"And he said unto them, Go ye into all the world, and preach the gospel to every creature." Mark 16:15 KJV**

Practice this verse several times with your child during the week. This will not only help him or her remember the verse, but it will also help to reinforce what he or she learned during class.

## Suggested Parent/Child Activity:

Go to the park or nearby woods and take a hike. As you walk along the path enjoying the beauty that God has created ask your child why the grass doesn't grow on the path. Listen to your child's answer, if he or she hasn't already figured it out, mention that all the foot traffic on the path makes it nearly impossible for the grass to grow. Tie this into the growth of our spiritual lives by stating that worldly obsessions can crowd out the spiritual things in our lives. We should take time each day to listen for the small still voice of God. We can accomplish this by reading the Bible, praying, and worshiping God each day. Be thankful for all of God's blessings and his desire to spend time with each of us, and remind your child to be thankful as well.

## Daily Prayer:

Dear Lord, please keep us from becoming busy with the things of this world. Help us keep our focus on You. Teach us Your ways and make our paths straight. Let us not serve to the left nor the right but rather stay on the path that You set before us. Fill our minds with wisdom and our hearts with love. Show us how to share Your love with those around us. In the name of Jesus, amen.
