The Bible is truly a miracle. There are a total of 66 books, 39 in the Old Testament and 27 in the New Testament. The Bible was written by over 36 different people, and over a period of about 1,500 years. The authors came from many different backgrounds and professions. There were fishermen, farmers, politicians, teachers, doctors, tentmakers and even kings. It would be mathematically impossible for so many different people over so many years to write with such harmony and accuracy, if it were not for the Holy Spirit. God told these people what to write. The Bible is the Word of God.
