

SUNDAY SCHOOL TAKE HOME PAGE

To parents:

This page lets you know what your child learned today in Sunday School. Included are "Words to Remember" from the Bible, a suggested activity to reinforce the lesson, and a short prayer. Being involved and interacting with your child can be very rewarding for both of you.

What We Learned:

Today, your child learned about the time when Jesus rode into town on a donkey. People took off their cloaks and put them down upon the road. They waved palm branches and shouted praises to Jesus as He rode by. Your child discovered that we can also worship Jesus today in a very special way. Like the people in Jesus' time who were full of joy, we can offer our praise and worship to Him every time we pray. (Scripture used: Mark 11:1-10)

Words to Remember:

(Bible versions used are selected to help young children learn and understand the meaning of scripture.)

"I will praise you as long as I live, and in your name I will lift up my hands."
Psalm 63:4 NIV

Practice this verse several times with your child during the week. This will not only help your child to remember the verse, but also it will help to reinforce what he or she learned during class.

Suggested Parent/Child Activity:

Ask your child to share some ways that we can worship Jesus. There are many possibilities. Use this time to talk about what others do, and how your child can do these things. One simple way we can worship is by singing songs to Him. Singing songs about His love, His power, His forgiveness, are all good ways to start. It might seem silly at first, but another way to worship Jesus can be to simply raise your hands and thank Him for what He has done for you. Let your child come up with more ideas on his or her own, and practice doing them with your child throughout the week.

Daily Prayer:

Dear Lord, We are thankful for this opportunity to offer our praise. You came to this earth to save us from our sins. Help us never to forget the great love You have for us. Let us worship You like the people did when they threw down their cloaks and waved those palm branches around. You are worthy of our worship and praise. Amen.
